# VCE English Writing Workshops

---

*Workshops can be tailored to the specific needs of your school and students.*

---

An opportunity for students to reinforce unit skills and knowledge and gain alternative feedback on their writing before a SAC or exam.

## The Process

### - 2-hour workshop

- Dissemination of key knowledge, skills and criteria for the outcome
- Building interpretations – of the text and the questions
- Writing skills to maximise opportunities in the criteria

### Individual Writing Folio

- Students build a folio of writing from the workshop and submit at the end of the session
- Folio will be taken, read and given comprehensive feedback

### 1-hour follow up workshop

- Feedback provided to the group
- Students given their individual folio feedback and the opportunity to ask questions
- Cohort skill development and areas to focus on explored
- Cohort teacher advice provided as recommendations for teaching opportunities moving forward.

---

## Facilitator

---

*Hayley has been teaching for almost 20 years. She has worked as an English Learning Area Leader, Literacy Leading Teacher and Educational Consultant. She has worked with VCAA writing units of work, as a member of the Expert Review Team for English, a panel member writing the EAL Bridging Study Design, and a presenter for the VCE Implementation Briefings for the current study design. Hayley has presented extensively for organisations such as VATE and BooBook Education and written units of work for Insight Publications and Matilda Education. She has been a NAPLAN and VCE Trial Exam assessor and has worked with numerous schools auditing curriculum and literacy practices, building resources and formalising assessment processes for both primary and secondary schools.*

## Costings

Workshops (x3 hours) - \$900 total  
Individual Feedback - \$10 per student
